## MEMORANDUM

**Subject: Demand- supply mismatch for allotment of Wheat to the Chakki Millers.**

There have been abnormal growth of Chakki Mills under Jirania Sub-Division but the demand vis-a-vis allocation of PDS Wheat from the Ministry remain same. Upon review of demand-cum-supply, it appears that the existing Chakki Mill under Jirania Sub-Division is more than adequate to meet the requirement for supply of whole meal atta in the adjoining areas. If any, new mill is given permission to operate with PDS wheat than the existing chakki mill of Jirania Sub-Division will lose its financial viability since the existing quota of PDS Wheat as earmarked for each Chakki Mill have to be reduced within the existing allocation.

2. Considering the above, it has been decided that no further allotment will be given to any new Chakki Mill under Jirania Sub-Division until further review and order. Sub-Divisional Magistrate, Jirania is requested to assess the performance of the existing Chakki Mills and ascertain quality of the whole meal atta supplied by them in comparison to the whole meal atta supplied by the Flour Mill.
